

## FEES

Valid from 16.04.2018

### Services:

- Engineering consulting
  - o –HUF 15,000/hour, with 30 minute billing cycles

### Auction fees

- Following a successful auction
  - if the value of the auction is below HUF 50,000, the fee is HUF 5,000,
  - if the value of the auction is between HUF 50-0000 and HUF 200,000, the fee is 10% of the purchase price,
  - if the value of the auction is between HUF 200,000 and HUF 999,999, the fee is 6% of the purchase price,
  - if the value of the auction is between HUF 1,000,000 and HUF 4,999,999, the fee is 4% of the purchase price,
  - if the value of the auction is over HUF 5,000,000, the fee is 3% of the purchase price,by way of Operator's commission.
- Following a successful auction, the amount of the deposit payable by the payer of the invoice shall be 10% of the total gross final purchase price.
- In the event that the payer of the invoice does not have two closed business years or has been making losses for a substantial length of time, the deposit payable shall be the full amount of the purchase price.
- If the payer of the invoice falls into delay regularly with the settlement of invoices, the Operator shall have the right to increase the amount of the deposit, of which the payer of the invoice is to be informed in writing in advance.
- In the event of a price adjustment, the minimum Operator's commission shall be 25% of the final purchase price constituting the original base of the commission.

In the event of an invitation to tender, a separate agreement regulates the rates of the commission and the issues related to the deposit.

These fees shall apply together with the General Terms and Conditions of Contract (GTCC); if, however, the provisions of this Annex deviate from those of the GTCC, the provisions of this Annex shall govern.

The fees for our services are given in Hungarian forints (HUF) and they do not include VAT.
