

TARIFFS

Valid from 29.05.2017

Services

- Engineering consultancy HUF 15,000 + VAT / hour, with 30 minute invoicing cycles

Auction fees

- Following a successful auction, the amount of the deposit to be paid by the bill payer shall be 10% of the full gross transaction purchase price. If the value of an auction is less than HUF 200,000, according to individual agreement at a rate between 6-10%
- Following a successful auction, 6% of the purchase price + VAT shall be invoiced as Operator's commission as part of the deposit if the purchase price is between 200.000 HUF and 999.999 HUF.
- Following a successful auction, 4% of the purchase price + VAT shall be invoiced as Operator's commission as part of the deposit if the purchase price is between 1.000.000 HUF and 4.999.999 HUF.
- Following a successful auction, 3% of the purchase price + VAT shall be invoiced as Operator's commission as part of the deposit if the purchase price is above 5.000.000 HUF
- In the event of a price adjustment, the minimum Operator's commission shall not be less than 25% of the transaction purchase price constituting the original commission base.

These tariffs shall be applied together with the General Terms and Conditions of Service (GTCS); in the event that the provisions of this Annex differ from the provisions of the GTCS, the provisions of this Annex shall govern.

The fees for our Services are to be interpreted in terms of Hungarian forints and they do not include VAT.
